Dear Ladies and Gentlemen:

I have enclosed a chart showing fees and costs owed for 2014 which are administrative expenses in the bankruptcy proceeding. Since the fees and costs are entitled to the same priority under the bankruptcy code I will be making monthly distributions from available funds on a pro rata basis until the fees and costs are paid in full. Enclosed is the initial check calculated on a total monthly distribution of \$25,000.00 as shown on the chart.

When sales increase as containers for shipping the product become available with the resolution of the shipping strike on the West Coast I should be able to increase the monthly distribution.

If you have any questions please give me a call.

With best regards,

DONALD M. SAMSON
